# COMPANY PROFILE

[DitmasterGroup.com](http://DitmasterGroup.com)

## INTRODUCTION

Ditmaster Group – We're a vibrant company with a lot of experience in the many different service and product offerings. Our aim is to focus on your needs and we offer each client a dedicated client service team to help you throughout the development and building of your brand.

Through our angled approach we can create the brand identity you require and build your brand awareness through the countless services and products we offer. Put your brand in our hands and we will show you the way forward.

## VISION

To provide high quality service and maintenance.

## MISSION

We provide services that are cost-effective, intelligible, easy to navigate, and personalized for your organization's needs.

In order to achieve all this we promise:

- To offer the best service to our clients.
- To treat every client with respect. We aim to maintain our open door policy whereby every one of our client can express his/her opinion which will in turn help us improve our service.
- To adapt to any changes that may be affected from time to time.

## OBJECTIVES

- To establish and maintain a good relationship with our stake holders.
- To improve the standards of living in our community through quality services.
- To support community and small business empowerment.

## CORE BUSINESS

DitmasterGroup

## Hello, I am Koe D'man managing director and founder of Ditmaster Group

Koe D'man (real name Moyahabo Edwin Ramusi) is a South African graphic designer, web designer, motivational speaker, educator, leadership adviser, inspiration consultant, politician and philanthropist. Founder of [www.DitmasterGroup.com](http://www.DitmasterGroup.com), he has worked with big names both individuals and companies, shared his insights and gift for inspiration across a variety of platforms, including appearances on radio shows. He has been featured in magazines, newspapers and is a frequent contributor to most people's life.

Koe D'man is a talkative person by nature, who continuously pushes his own boundaries. He started young, his working career began in design; as a graphic designer. He went on and opened a design studio called Ditmaster Group dealing with Graphic Design, Web Design, Printing, Computers, Entertainment, Sports, Signage, Architecture, Welding, Construction. As his business skill grew it soon became clear to both Koe D'man and his followers that he was more than just a designer; he was a motivator, or as he likes to put it – A Mentor!

Koe D'man has an innate ability to engage and connect with his audiences or clients and can read the mood and flow of a group with impeccable precision. His presentations for business are informative, lively, full of substance and punctuated with humour. His insights are relevant, usable and sustainable. Over the years his presentations in business have yielded tangible results, touching the minds of those who have heard him present or speak. Koe D'man was designed to be a business man, motivator, inspire, designer. He is living his dream.

Ditmaster Group is my secret weapon, shhh don't tell anyone. My path towards this field was defined by my passion for designing. KOE D'MAN – Brand Strategist (Diploma in Graphic Design and Multimedia Web Development), I am a specialist in Graphic Design, Multimedia and Web Development. I've lots of experience in designing and worked with clients from all around the world. As a designer I'm eager to learn new things that make me better and to be one of the best in the field.

I played Volleyball my whole life before joining the creative industry in 2008, I love sports, I love to have fun and I love to spend time with my loved ones.
